Island Wisconsin's trail system relies on the cooperation of private landowners, volunteers and
doors, and locates the trail. To ensure that the trails are accessible, each trail segment is marked by a blue or red sign. There are no designated trailheads, but volunteers and local residents can become stewards for the area. Catering options are available at the designated trailheads, where they gather.

**How to be a safe rider**

- **Wear appropriate clothing, helmet and goggles.**
- **Watch for other riders and keep a safe distance.**
- **Look behind you before turning**
- **Stay on marked trails.**
- **Do not cross roads or other obstacles.**
- **Be aware of your surroundings.**
- **Always carry a map and a compass.**
- **Have a plan for emergencies.**
- **Carry a first aid kit.**
- **Be prepared for any weather conditions.**

**Ice riding; if you don't know, don't go**
Riding on ice is a dangerous proposition. If you decide to go, make sure to check the local conditions. Snowmobiles and other factors can make conditions change quickly.

**Safety tips**

- **Stay on marked trails.**
- **Listen to local advice.**
- **Be aware of your surroundings.**
- **Carry a map and a compass.**
- **Have a plan for emergencies.**
- **Carry a first aid kit.**
- **Be prepared for any weather conditions.**
