

Open the following web page:

<http://jacksoncowi.wgxtreme.com>

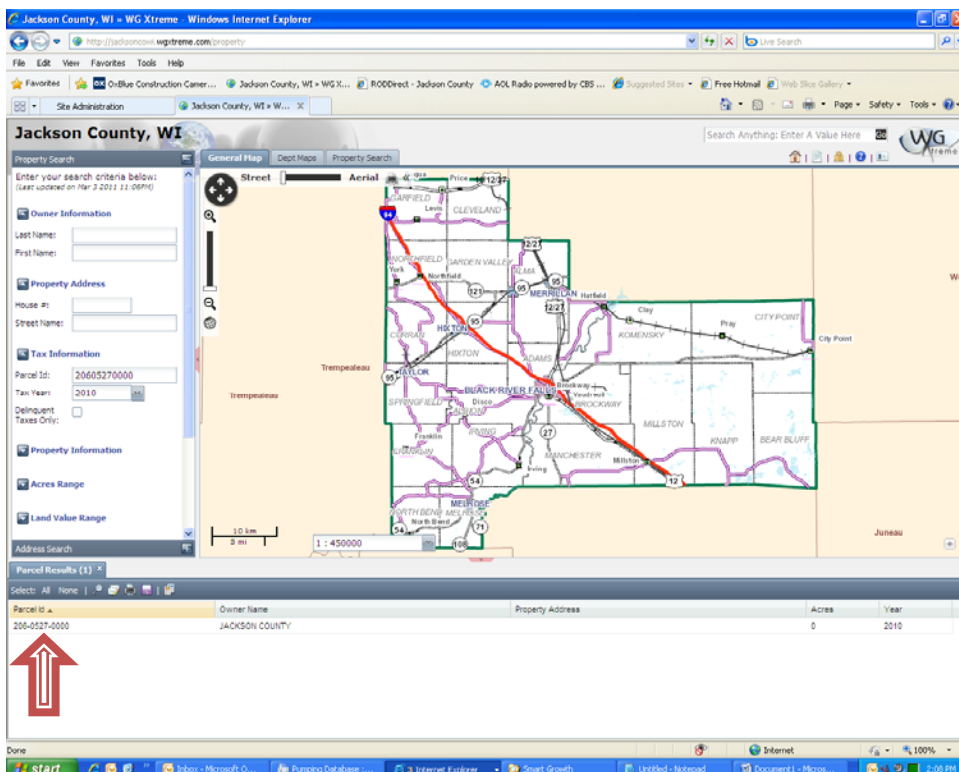

The General Map tab is the default window that will open for the website. To the left of the overview map of Jackson County, you will find the Property Search window.

You are able to complete a quick search for parcels by the following criteria:

- Name
- Property Address
- Tax Information

Enter data in ONE of these areas and click Submit.

(Ex. Parcel ID: 20605270000)

The search results will be displayed BELOW the overview map of Jackson County. Click on the specific parcel that you are interested in receiving additional information.

The screenshot shows the 'Jackson County, WI' property search interface. A 'Permits' pop-up window is open, displaying the following information:
