

## Town of Bear Bluff Building Permit Policy

UDC (Wisconsin Uniform Dwelling Code) has been adopted by the Town of Bear Bluff. **Building permits and inspections are required.** Please contact our Building Inspector with any questions, General Engineering at 608-745-4070.

If you are planning on building, zoning changes and permits may be needed. Please contact the Jackson County Zoning Department for all required forms and permits. If adding any buildings or making changes to your home, a **Land Use Permit** may be needed, contact the Jackson County Zoning Department in Black River Falls at 715-284-0220.

Requests for new rural address/fire numbers may be obtained from Jackson County. Please contact the Jackson County Land Information Department at 715-284-0284.

If your fire sign is missing, you are required to replace it. A new sign may be ordered by contacting the Town Clerk. You will be billed when the sign is ordered.

The Town of Bear Bluff requires a Driveway Permit. To obtain one, please contact the Town Clerk.
