

# Town of Curran

---

Jackson County, Wisconsin

## Town of Curran Building & Permit Information

The Township of Curran requires a State Uniform Building Code (UDC) permit for any new 1 or 2 family dwellings, including homes and cabins, constructed or placed on any parcel. Driveways require approval from the Town.

- UDC Building Permits will be issued by General Engineering Company.
- Driveways that access a town road require approval from the town.
- Detached garages and outbuildings do not require a permit from the town.
- Additions and remodels do not require a permit from the town.
- Contact Jackson County for county zoning requirements. The Town of Curran is not currently zoned.
- This Policy does not exempt the property owner from any County, State, DNR and/or Federal regulations that may apply.
