Old Business:

New Business:

- Discussion occurred regarding adding an online credit card option to the county's web mapping site. The Treasurer's Office, Register of Deeds and Zoning Department are accepting credit card payments through PayGOV.US . This allows the opportunity for us to add a pay button to the WG Xtreme website. Lauree contacted ADC to determine if this was a possibility and they are able to develop this for a cost of \$965.00 with an annual maintenance fee of \$250.00.

The committee recommended developing the button, which would allow the landowner to pay their property taxes online.

A Motion by Shari Marg, to approve the development of the online credit card payment option for property tax payment and the costs of development and annual maintenance fees are to allocated from the non-lapsing Land Information account, seconded by Terry Schmidt. Motion carried.

Land Information Department Report:

- Shari Marg has received quotes from Manitron. They are able to adjust their costs based on the amount of grant funding received. They will simply add or reduce volumes once funding has been secured. Tim and Shari will be meeting with them in the next few weeks.

A Motion by Terry Schmidt, to adjourn the meeting, seconded by John Ross. Motion carried. Meeting adjourned at 9:00 a.m.

All recommendations and action will be forwarded to the Zoning and Land Information Committee for further action.

Minutes respectfully submitted by Elizabeth Storlie, Secretary.
