RE: Invitation to join us for meeting about University Program

The Jackson County Extension Education Committee is inviting you to join us on June 21, 2023, at 1:00 P.M. in the Jack Pine Room at 227 S. 11<sup>th</sup> St. in Black River Falls. This building is just across from the Jackson County Fairgrounds.

The speaker at our meeting is Gavin Luter. Gavin will be sharing information about the UniverCITY Year Alliance. This program has provided expert support to communities throughout Wisconsin using upper level undergraduate or graduate classes and their professors to provide technical support surrounding issues the communities have faced.

If your community is wrestling with an issue regarding infrastructure, planning, economic development, or other priority issues, you may benefit from participating in this program. University Year is a three year partnership between UW-Madison and Wisconsin communities. The alliance matches local issues with undergraduate or graduate courses and supervised student time. This provides partner communities an opportunity to access the training, expertise, and energy of students who are supervised by experts in their fields.

The meeting on June 21<sup>st</sup> is an opportunity to learn about how this program may be able to work with your community to address priority issues. We will talk about expectations, costs, and timelines. You can participate in person or virtually via Zoom (link is below). Refreshments will be served. We encourage you to invite community leaders who may be interested in this information.

Please RSVP by June 19<sup>th</sup> at [patricia.malone@wisc.edu](mailto:patricia.malone@wisc.edu) if you plan on attending so we can ensure we have enough seats and refreshments.

We hope you will join us on June 21<sup>st</sup>.

PATRICIA L MALONE is inviting you to a scheduled Zoom meeting.

Time: Jun 21, 2023, 01:00 PM Central Time (US and Canada)
