### Jackson County Travel Trailer/Camping Unit Regulations

1. All travel trailers or camping units **MUST** be registered with the Jackson County Zoning Department prior to January 30<sup>th</sup> with all appropriate fees paid.
2. See Section 17.38 (13) 4 of the Jackson County Zoning Ordinance for the total number of units allowed on any lot or parcel of land.
3. Appropriate sanitary provisions must be utilized. All types of sanitary units **MUST** be permitted by Jackson County Zoning Department prior to siting the unit.
4. Appropriate disposal of garbage and trash **MUST** be provided to the parcel of land.
5. Occupation of the unit as a primary residence is strictly prohibited.
6. All occupied sites **MUST have a residential address (fire number) assigned.**
7. Jackson County is not liable for any accident, injury or property loss.

Failure to adhere to these regulations shall be subject to enforcement authority established in Chapter 17, Jackson County Zoning Ordinance. Violations will be subject to removal of the unit, citation and further litigation.

**I have read the Jackson County Travel Trailer/Camping Unit Regulations and understand them.**
