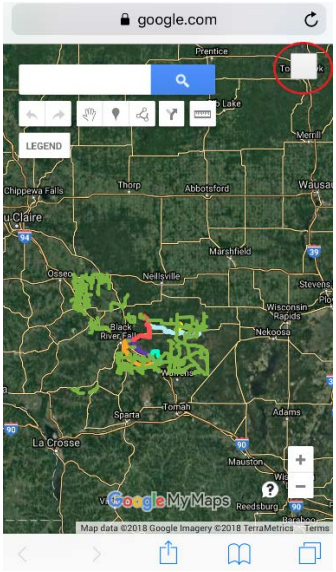
Jackson County ATV Trails/Routes Map

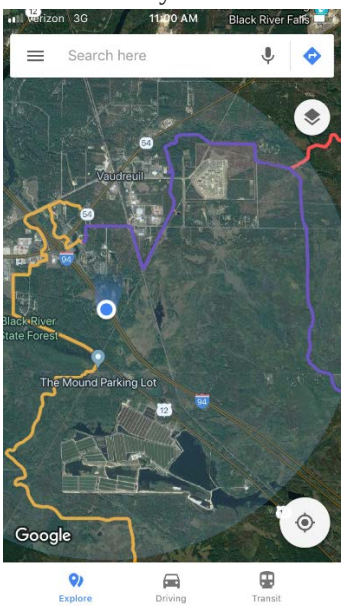
Using your iPhone, iPad or Android device to view the navigation map.

1. Select the Google Map icon on the Jackson County Parks & Forestry website.

2. You will be redirected to **sign in** the Google Maps App on your mobile device. *If you do not have a Google Account, you will be asked to create a new account.*

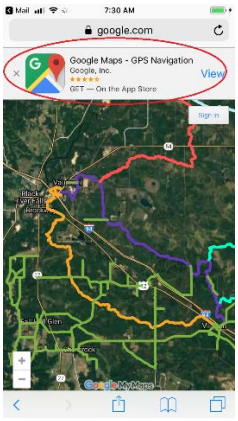


3. Upon signing in the map will be redirected to the Google Maps App in which you will be able to navigate the Jackson County ATV Trails/Routes.

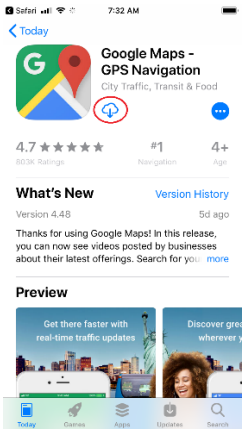


How to download the Google Maps – GPS Navigation App for iPhone, iPad or Android devices

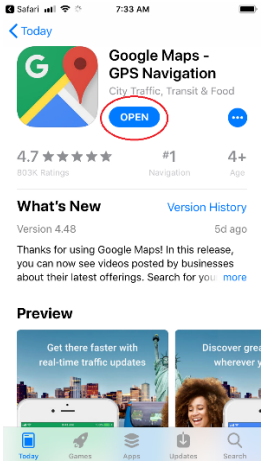
1. Select the Google Maps icon on the Jackson County ATV Trail/Routes Map



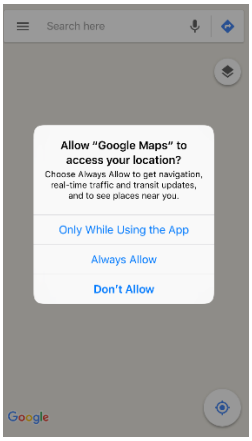
2. You will be redirected to your App Store where you will download the Google Maps – GPS Navigation App



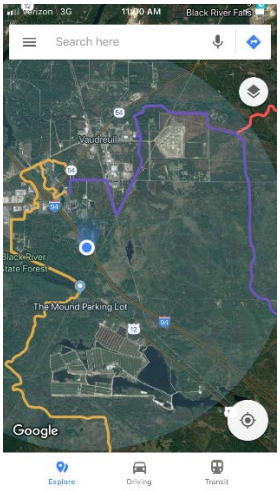
5. Once the app has successfully downloaded, tap **OPEN**.

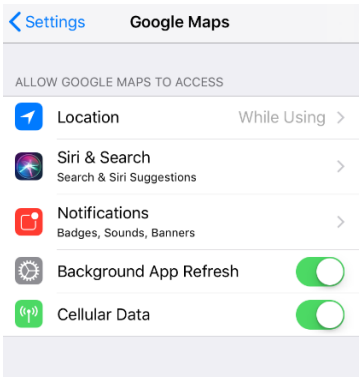


6. In order to take advantage of the navigation features with the Jackson County ATV Trails/Routes Map, you will be required to allow Google Maps to have access to your location. *Please note – you can always change these settings later in the Settings of your mobile device.*



7. Once you allow Google Maps to access your location, the Jackson County ATV Trails/Route Map will be loaded on the application. The blue dot in this screenshot is the location of the user in relation to the ATV Trails/Routes.



Troubleshooting


1. Allow Google Map to access your location on your mobile device. This can be accessed through the settings on your mobile device.
